WEDDINGS AT THE INSTITUTE OF CONTEMPORARY ARTS

Combining Bistrottheque's modern East End sensibilities with the ICAs pared-back, Grade I Nash-designed townhouse spaces – set at the very heart of monarchical and political power – a wedding at the ICA is unlike any other in London. A truly modern statement.

BISTROTHEQUE ANYWHERE

Bistrotheque can cater your wedding wherever you choose to have it – near, far or somewhere in between. We can also create whatever we imagine together: from fully bespoke menus, curated teams, dramatic production and bold entertainment concepts.
